

THE DINKUM OIL #20

A drop from the Council of Heritage Motor Clubs to keep you going

- The CHMC continues to work with TfNSW at the **Historic and Classic Car Industry Working Group** (HCCIWG) to improve the framework for determining originality, period options, accessories and safety items for HVS registration.
- This task is still in progress and the list that remains on the TfNSW website is in **draft form only**.
- Approved Organisations for the Classic Vehicle Scheme (CVS) were recently invited to submit their procedures for processing applications and renewals for review by TfNSW and NSW Police.
- This was aimed at ensuring these remained “fit for purpose”, especially as these are mostly processed remotely; it being impractical to physically sight all vehicles.
- **The procedures and documents used by CHMC since 2017 were commended by TfNSW and Police.**
- However, CHMC committee has now revised the previous CVS procedures to:
 - separate **Initial Applications** from **Renewals**, and
 - include a checklist of what is required in order that its Eligibility Committee may make determinations within the context of its policy.
- The CVS Agreement for **Initial Registrations**, or when changes have been made to a **previously CVS registered** vehicle, will require **at least** 5 photographs or a video “walk around” to **clearly** show the vehicle and its modifications.
- The CVS Agreement for **Renewal of unchanged vehicles** will not require photographs, but will require declarations by both the Registered Operator and the Club that the vehicle still conforms to the previously supplied photographs.
- Copies of the revised CVS Agreement forms have been forwarded to Clubs with CVS vehicles, and are available from the CHMC website.
- CHMC considers that these revisions will reinforce the important role our affiliated Clubs have in administering CVS registrations.
- Peter Wright (*CHMC Registration Liaison*) and Jenny Fawbert (*CHMC Webmaster*) are prepared to arrange short ZOOM meetings for club Registration Officers that deal with CVS to share these changes with them. An invitation will be sent to clubs with a choice of days and times.
- CHMC intends to run further **Governance Workshops** this year. These will be a revised version of those offered last year. When arrangements are finalised the CHMC Secretary will contact clubs with an invitation.
