

INSTRUCTIONS TO APPLICANTS

1. Read the [Guidelines for the CHMC Annual Youth Awards](#) and check that you and your project are eligible
2. **Complete the details on this Application Form** (attach additional pages if required for group names, ages and signatures etc.)
3. **Attach a brief submission describing your project:**
 - What you have done with your project so far and why
 - Why you're interested in historic vehicles, what influenced your interest in historic vehicles
 - What you hope to achieve or do with your project
 - Community group involvement e.g. car club; local museum; antique machinery club
 - Any specific aspects of your project you need financial assistance with and cost estimate
 - For current projects – if you are seeking financial assistance explain the specific aspects of your project needing that, including cost estimate/s
 - For completed projects – explain what was involved in your project or work, skills you learned, knowledge gained, who mentored you, any other awards or recognition your project or work has also received, and approximately how much your project cost to get to completion.
 - The date you anticipate finishing your project, **or** the date you completed your project
 - **Include pictures and/or videos of your project**
 - If your project is/was related to a course of study, name that course and describe briefly how your project or work relates to that course
 - Applications for an Award recognising a recently completed project must include photos and documents demonstrating the project process and the completed project.
4. **Submit your completed Application and all supporting material/attachments to the club nominating you for the Award.** The club will submit your Application and their Nomination Form to the CHMC NSW Inc.

Allow enough time for your nominating CHMC club to consider your application and to forward it to CHMC by March 1st.

APPLICATION CLOSING DATE IS STRICTLY 5PM, MARCH 1ST
