Update 2.

Welcome:

Welcome you to our second update, for our 2027 rally. A big thank you to those who have completed and forwarded their Initial Expression of Interest in participating in this rally. It is important that if you are interested in participating, complete and forward this form to me "sooner than later".

Introduction:

While our team is "fine tuning" the rally, the information below will help you finalise matters:

1. choose your accommodation and book it,
2. complete your Initial Expression of Interest Form, and forward it to me, and
3. give some initial thought to which meals and optional visits you might select in February as we "firm-up"" the "nuts and bolts" of the rally.

Accommodation Options in Maitland

I have listed below the accommodation available in Maitland. As well, there is ample accommodation in Newcastle, Lake Macquarie, Port Stephens, and Hunter Valley Wine Country (including Cessnock and Pokolbin).

Indeed, there are three executive lodges available at Adina Winery and Vineyard where Sunday's display will be held. Each lodge has full facilities - three secure queen bedrooms each with private facilities, as well as spacious kitchen and dining areas. Each one is perfect for three couples. Contact Adina Estate on 49307473.

Accommodation in Rutherford and Campbells Hill is nearest to Telarah Bowling Club.
